

## BECOME A MEMBER & MAKE A DIFFERENCE!

Joining the GHS Booster Club is a great way to show your support for athletic teams and academic programs that assist our students in achieving and sustaining personal excellence. As a member, you will be a valuable asset to successful Booster initiatives by volunteering your time throughout the year. Volunteering is a great networking opportunity to meet fellow Guilford parents, students and school staff. Whether you enjoy selling merchandise, working our concessions stand or chaperoning a dance, there is a Booster Club sponsored event that's right for you!

### Your Support Enhances Guilford's Academics and Athletics Programs

The Guilford High School Booster Club is a volunteer organization proudly serving Guilford staff, students, and families. All proceeds from fundraising events are returned back to the school to help support both academics and athletics.

The financial and volunteer efforts of GHS Booster Club members contribute significantly to the quality of the school experience for both students and staff.

The efforts of the Booster Club deliver several thousand dollars each year to the school's academic and athletic departments for use in purchasing equipment, books, uniforms, and other items. Additional allocations support school groups and clubs such as Carpe Diem and the National Honor Society.

Our goals are achieved by each Guilford family working together to enrich the educational experience of our students. We look forward to another great year and wish to thank you in advance for your continued support.

### Employer Matching Funds Program

If your employer has a "Matching Funds" program, please provide the required submission form with your personal donation. Look for more details on our soon-to-be launched website [www.guilfordboosters.com](http://www.guilfordboosters.com) this fall.
